Help Shape LA County Transit

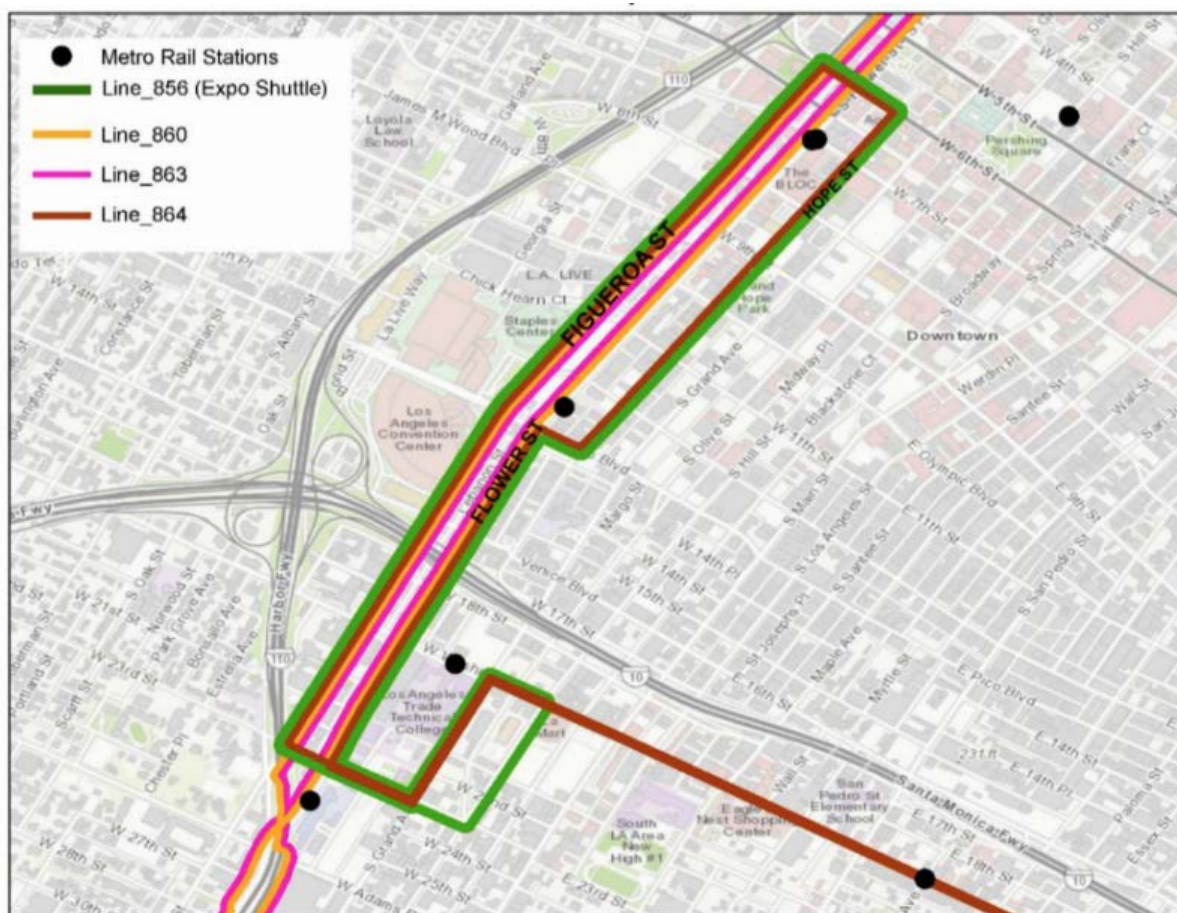

Our Next LA is a multi-year effort by Metro to improve access, enable opportunity, and chart a course for a collective future which includes 88 cities and hundreds of neighborhoods. Metro is seeking input from all who live, work, or play in LA County to plan for a better future that gets everyone moving! In the first phase of this process, Metro collected surveys, visited communities all over the county, and zeroed in on five broad categories of focus for the campaign!

Metro needs *your* help to rank these five categories as future priorities. Click below to connect with Next LA and submit your input today!

Metro Blue Line Out Of Service From DTLA to Compton Until September 2019

Major improvements are underway for Metro's Blue Line. Due to the work, the Blue Line is out of service between Compton Station and 7th St/Metro Center now through late September 2019. As part of this work, improvements will be made for the Blue and Expo Line junction. This work will require two stations to be out of service on the Expo Line between LATTC/Ortho Institute and 7th St/Metro Center until late August 2019.

While the Blue and Expo Lines are out of service in downtown LA, Metro is providing bus shuttles to replace train service with various routes (see map above) running down Figueroa St., Flower St., and Hope St. With the additional buses in this corridor, Metro recommends planning ahead to avoid delays.

Due to the additional buses, Metro and LADOT have implemented an evening rush hour temporary bus only lane on southbound Flower St., between 7th St. and 28th St/I-110 Freeway entrance, to improve mobility along the Flower St. corridor. The bus-only lane is in effect between the hours of 3 p.m. and 7 p.m., Monday through Friday, from June 3rd, 2019, through the completion of the New Blue Improvements Project.

For more information on the bus shuttles and their stop locations, visit the [Blue Line shuttles](#) or the [Expo Line shuttles](#) info page.

Art Share L.A. - *Future Is Now* Exhibition

Time is a continuously moving construct, and with that movement comes great change.

Art Share LA’s “The Future is Now” poses the question: What then, does our future look like? Artists are encouraged to use their foresight to submit work that shows us a glimpse of our many possible futures. Will it be a warning? A call to action? A celebration of ingenuity? The choice is yours. Show us what the future holds for you, Los Angeles, or the world!

Exhibition runs from July 26th - September 1st. For more information please visit Art Share's [Facebook page](#).
